

## AGENDA

### **EPERC General Assembly**

**Date:** Thursday 28<sup>th</sup> January 2016

**(1000 – 1500h)**

**Venue:** Bureau de Normalisation (NBN), Rue Joseph II 40, 1000 Bruxelles [www.nbn.be](http://www.nbn.be)

#### Technical Session - 1000 – 1200h

**Welcome: Guy Baylac (EPERC)**

*1000-1010h*

Two talks (each 30 mins. + 5 mins. question-answer time) will be delivered as shown below:

1. Current State of Pressure Vessel Research in Europe *1010-1045h*  
*Dr Andreas Klenk, MPA Stuttgart, Germany*
2. EN13445- EN13480: Status, Gaps and Needs for a Competitive Set of International Rules  
*Claude Faidy, Consultant (Ex-EDF), France* *1045-1120h*

*(This presentation will include a quick status of EN application and how to compare them to past or to-day similar Codes, as a first part. The second part will cover remarks and proposal to increase international competitiveness of these standards. The third part will review possible enlarged scope of these standards for new technologies. The competitiveness of these EN standards is not independent of the other EN standards on material properties)*

#### GA Meeting - 1130 – 1500h

- Introduction by EPERC Acting Chairman – *Guy Baylac*
- EPERC Structure, Secretariat, Working Groups and e-Learning–  
*Ahmed Shibli, Guy Baylac + BOD members*
